

Staying Safe Around Trains

Kindergarten – Grade 2

English Language

Strategies for Learning to Read and View

Ding, Ding, Dong, Wooo-Wooo Obie's Song

Obie's my name and
Rail safety's my game.
Learn a few rules and
You can say the same.

Watch for signs and signals
At railroad crossings.
Take care near train tracks
Every day.

Chorus:

*Ding, ding, dong,
Wooo-wooo.
Listen to the signs and trains
They're talking to you.*

*Ding, ding, dong,
Wooo-wooo.
Listen to the signs and trains
They're talking to you.*

The lights are flashing,
The gate is down.
That means a train
Is going through town.

Trains go fast,
So always look both ways.
Left and right,
Remember, safety pays!

Chorus:

*Ding, ding, dong,
Wooo-wooo.
Listen to the signs and trains
They're talking to you.*

*Ding, ding, dong,
Wooo-wooo.
Listen to the signs and trains
They're talking to you.*

Trains are big
And trains are strong.
But they can't stop quickly
When they're speeding along.

And playing on tracks
Is just not cool.
And walking on tracks
Breaks all of the rules.

Chorus:

*Ding, ding, dong,
Wooo-wooo.
Listen to the signs and trains
They're talking to you.*

*Ding, ding, dong,
Wooo-wooo.
Listen to the signs and trains
They're talking to you.*
